NAPTOSA KZN WISHES YOU A PRODUCTIVE AND HAPPY YEAR AHEAD

Dear NAPTOSA Member

We extend our heartfelt congratulations to every educator who contributed to the school journey of our Grade 12 learners. The remarkable results achieved in this province are a collective accomplishment and must be credited to the dedication and commitment of educators at every level, from Grade R through to Grade 12.

Thank you for always putting our learners first and for the many personal sacrifices you continue to make. You have often gone beyond your professional responsibilities, acting as parents, mentors and pillars of support by offering care, guidance and encouragement to many learners.

We have noted the challenges experienced in many schools at the start of the academic year and are actively engaging with the Department of Education to ensure that these matters are resolved sooner rather than later.

Please continue to keep NAPTOSA KZN informed of any challenges your school may be experiencing, so that we are able to engage with the Department on your behalf. Link to the Day 1 survey below.
