COMMUNICATION HUB OBJECTIVES

Dear Members,

We wish to confirm that the NAPTOSA Communication Hub WhatsApp Community has been created. This platform is intended solely for the dissemination of important information from the NAPTOSA office to all branches.

Please note:

- Membership in the community ensures that you remain connected to your branch WhatsApp group.
- If you choose to leave the community, you will automatically be removed from your branch group as well. This will disadvantage you by preventing access to important updates and notices.
- The community is not for general discussion, but for official communication from the NAPTOSA office ONLY.

We therefore urge all members to remain in the community so that you continue receiving vital information for your branch.

PLEASE NOTE THAT YOU DO NOT BELONG TO ALL GROUPS IN THE COMMUNITY YOU ONLY BELONG TO THE WHATSAPP GROUP IN YOUR BRANCH
