EARLY RETIREMENT UPDATE

Dear NAPTOSA Member

NAPTOSA has received a high volume of enquiries regarding the status of the Early Retirement Offer from the Employer.

We are aware that some provincial education departments have already issued approval letters. While NAPTOSA KZN has been in regular communication with the Department, no official updates or information have been provided to us to date.

Please note that this is a unilateral process initiated solely by the Employer. No union, including NAPTOSA, has been involved in the development or administration of this process.

We understand that the delay in communication from the Employer affects your ability to plan effectively for your retirement. For this reason, we have formally requested the Department to issue an update to all applicants, explaining the cause of the delay.

We kindly request that you await further communication from NAPTOSA as soon as additional information becomes available.
