

Beyond Barriers Education Conference

NAPTOSA invites all members and non-members from both LSEN and mainstream schools. Join us for a conference focused on supporting learners with barriers to learning and empowering educators and therapists with practical strategies and professional guidance.

Educators in mainstream schools will benefit from this conference, as it will enable them to identify barriers to learning and how they can be addressed.

BEYOND BARRIERS CONFERENCE LAST MINUTE OPPORTUNITY

Dear NAPTOSA Member

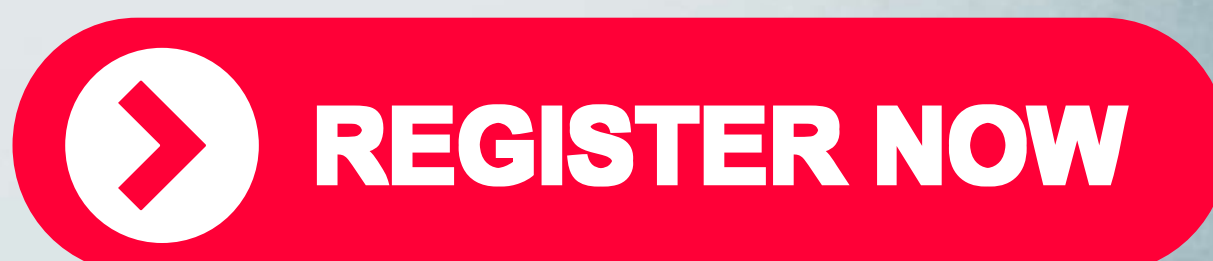

You have the opportunity to register for this 'Sold Out' conference.

We have negotiated with the venue to accommodate 30 more delegates. This was due to the demand from our members.

This conference will benefit educators in mainstream schools and our special schools. All therapists attending will get 3 HPCSA points.

Register and pay by 3 pm today, 18 May 2026.

Send proof of payment to: adminkzn@naptosa.org.za
